Statement Candidate List of Substances of Very High Concern (SVHC)

We hereby confirm that among the substances listed in the "Candidate List of Substances of Very High Concern for Authorization" presented by the European Chemicals Agency, ECHA, on their website <http://echa.europa.eu/web/guest/candidate-list-table> as updated, only the Nickel substance could be found in some of the products that are manufactured by Höganäs Belgium and Höganäs Great Britain.

All sales of the Products are subject to our General Conditions of Sale.

This statement is not intended to be, nor shall it be construed to be, a waiver or modification of the General Conditions of Sale or otherwise a representation or warranty from our side. This statement is valid as per the date hereof and we assume no obligation to inform of any subsequent changes.
