

General Statement

Höganäs Belgium SA is a supplier of raw material and other products sold and delivered under agreed specifications and subject to Höganäs General Conditions of Sale.

The customer working for the Food Industry is solely liable for the suitability of Products, and their compliance with laws, regulations and applicable standards, for the intended use.

In order to achieve and assure the quality of Products and Höganäs' services, Höganäs is certified according to the Quality Management Standards ISO 9001 and ISO/TS 16949 and the Environmental Management Standard ISO 14001.

Any requirements apart from the Standards are subject to special arrangements and individual assessments and we kindly ask you to express such concerns on a case by case basis to Höganäs.
