

STATEMENT WITH RESPECT TO GADSL

Höganäs, 2023-02-01

We hereby confirm that our products produced at our production site(s) in Höganäs, do not, to the best of our knowledge at the release date of this statement contain substances listed on the Global Automotive Declarable Substance List (“**GADSL**”), with the exception of those substances listed below and/or trace elements of such substances originating from the raw material.

Metallic nickel* (CAS 7440-02-0), cobalt* (CAS 7440-48-4), and copper** (CAS 7440-50-8) is added to some of the products produced in Höganäs. See product safety data sheets and Product Specification for each product for further information.

All sales of our products are subject to our General Conditions of Sale. This statement is not intended to be, nor shall it be construed to be, a waiver or modification of the General Conditions of Sale or otherwise a representation or warranty from our side.

* Declarable according to GADSL, threshold 0,1%. Reason: For information.

** Declarable and Prohibited, threshold 5%. Reason: California and Washington state laws CA SB 346 and WA SB 6557 (regulations apply only to brake and friction material applications).
